CIVIL ACTION NO. 2:06cv210-MEF

RE: Failure of the Assistant United States Attorney, Todd A. Brown, to provide a copy of the government's response to defendant Artrone Cheatham; in order for the Movant/Defendant to reply to the response by the Court's Order date of May 5, 2006.

Dear Clerk of the Court:

This is an official notice, that should also serve as an official motion to the court, requesting that the Court order the respondent identified as the United States of America; to furnish a copy of the Government's response to his recently filed 28 U.S.C. §2255 motion.

In an order from the Court that was dated on April 14, 2006; the Court instructed the Movant that the response of the government had been filed; and that the Movant officially had to the date of May 5, 2006, to reply to the Government's response. In the Order from the Court, it briefly stated what the government's objections were; and the procedure that would need to be utilized by the Movant in order to rebut the government's response.

The Order of the Court arrived at this institution on 4/18/06; however, as of this date the response from the government has not arrived at the institution; and is in violation of the rules of the Certificate of Service as identified by the Federal Rules of Criminal Procedure.

Due to the delay in the Government sending a copy of the response to the Movant; the May 5, 2006, date should be extended to reflect the Movant having ample time as according to the rules of criminal procedure to reply to the Government's response. The Movant request's an additional 21 days from the Government's submittal of the response, that would effectively move the May 5, 2006 date to May 26, 2006. Thank you for your help and assistance in this endeavor.

Sincerely yours,
